

Lexis+ is a comprehensive legal research platform that brings together authoritative black letter law and practical guidance in one place. Featuring leading titles such as *Halsbury's Laws*, it combines trusted legal commentary with an extensive practical library, enabling legal professionals to conduct thorough, efficient research within a single, integrated environment.

With **Lexis+ AI**, professionals can further enhance productivity, streamlining workflows and gaining deeper insights, all supported by LexisNexis' trusted, authoritative content.

To access both solutions, visit: <https://www.lexisnexis.co.uk/campaigns/london-summer-arbitration-school-2026>
