Re: London Summer Arbitration School, 17-21 June 2024

Dear colleague,

We are delighted that the London Summer Arbitration School 2024 will soon start in hybrid format. We would like to provide you with some additional information related to the summer school.

- **Teaching platform:** You can access our teaching platform following this [link](https://adam.unibas.ch/goto_adam_crs_1735149.html) (https://adam.unibas.ch/goto_adam_crs_1735149.html). On this platform, which will regularly be updated, you will find:
 - the [programme](#) of the school providing you an overview about the course content and optional social activities;
 - the **Zoom logins** for our online participants; please note that there is a login for all classes, and two separate logins for the [opening keynote](#) and the [closing keynote](#) respectively (for the latter two you need to register in advance if you attend online, no need to register if you attend in person);
 - **practical information**, notably about the places where the school is hosted, lunch options, etc;
 - all the **teaching materials** (reading assignments, legal instruments, guiding questions) and information about the **reflective journal**; please note that this section is still under construction as we expect additional materials from faculty members.
- **Preparation:** On the teaching platform, you find a section titled "Teaching Materials & Preparations"; please read it carefully in order to know which preparations are required. Please note that for most classes you will need to read materials in advance. We expect that all reading materials will be on the platform about a week before the beginning of the summer school and recommend that you start reading them now.
- **Contact for emergencies during the Summer School:** In case you have any urgent question *during* the Summer School, you can contact Mariam at +44 7950 747599 (WhatsApp).

- **Dress code:** We recommend smart casual dress code for all classes and lectures.
- **LinkedIn and social networks:** We encourage you to follow Arbitration Lab on [LinkedIn](#) and spread the news on social networks about your participation in the summer school using the #arbitrationlab hashtag.
- **WhatsApp group:** In order to facilitate interaction between the participants of the Summer School (e.g., for social activities after the official program), we created a WhatsApp group. Please join the group by following this [link](#) and feel free to use it even before the official commencement of the school to introduce yourself and coordinate with other participants. We will post some additional information to the group in due course.
- **Meeting point for the opening of the Summer School:**
 - For those participating online, please join the Zoom room on Monday 17 June 2024 at 13:15 British Summer Time (BST).
 - For those participating in-person, please register between 13:00 and 13:15 BST at the Centre for Transnational Legal Studies, 4th Floor, North West Wing, Bush House, Aldwych, London WC2B 4PJ. We will start at 13:30 BST sharp.

We really look forward to hosting you soon in London – in person or virtually!

With best regards,
